

PUBLIC NOTICE

SCHEDULED TESTING OF ROBE RIVER WELL HOUSE TO TAKE PLACE NOVEMBER 22ND

City of Valdez Water Utility staff will be conducting routine testing of the Robe River water system's well pumps on Tuesday, November 22, 2022 from approximately 8:00 AM to 12:00 PM.

During the testing time frame, subdivision residents may experience some inconsistencies in water pressure. Water pressure will return to normal in the afternoon.

Contact City Water Utility Staff at 907.835.4888 with any questions or concerns.

Elise Sorum-Birk, Deputy City Clerk
